## Seoul Fintech Lab •

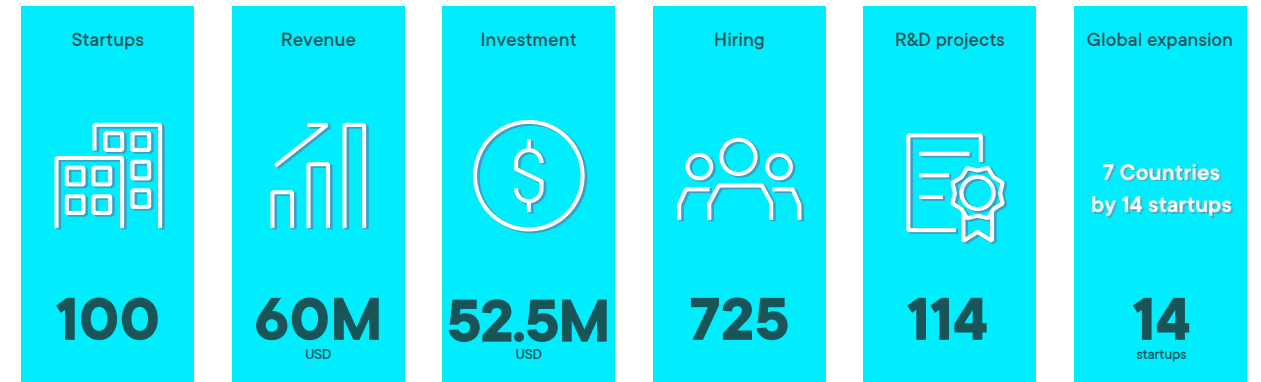

### The Korean Cradle of Fintech Startups Created by Seoul Metropolitan Government

Seoul Fintech Lab is a fintech startup supporting institution, which is fully funded by Seoul Metropolitan Government to provide a incubating and accelerating program. We are providing customized supports for the various needs of fintech start-ups and offering office space up to 3 years.

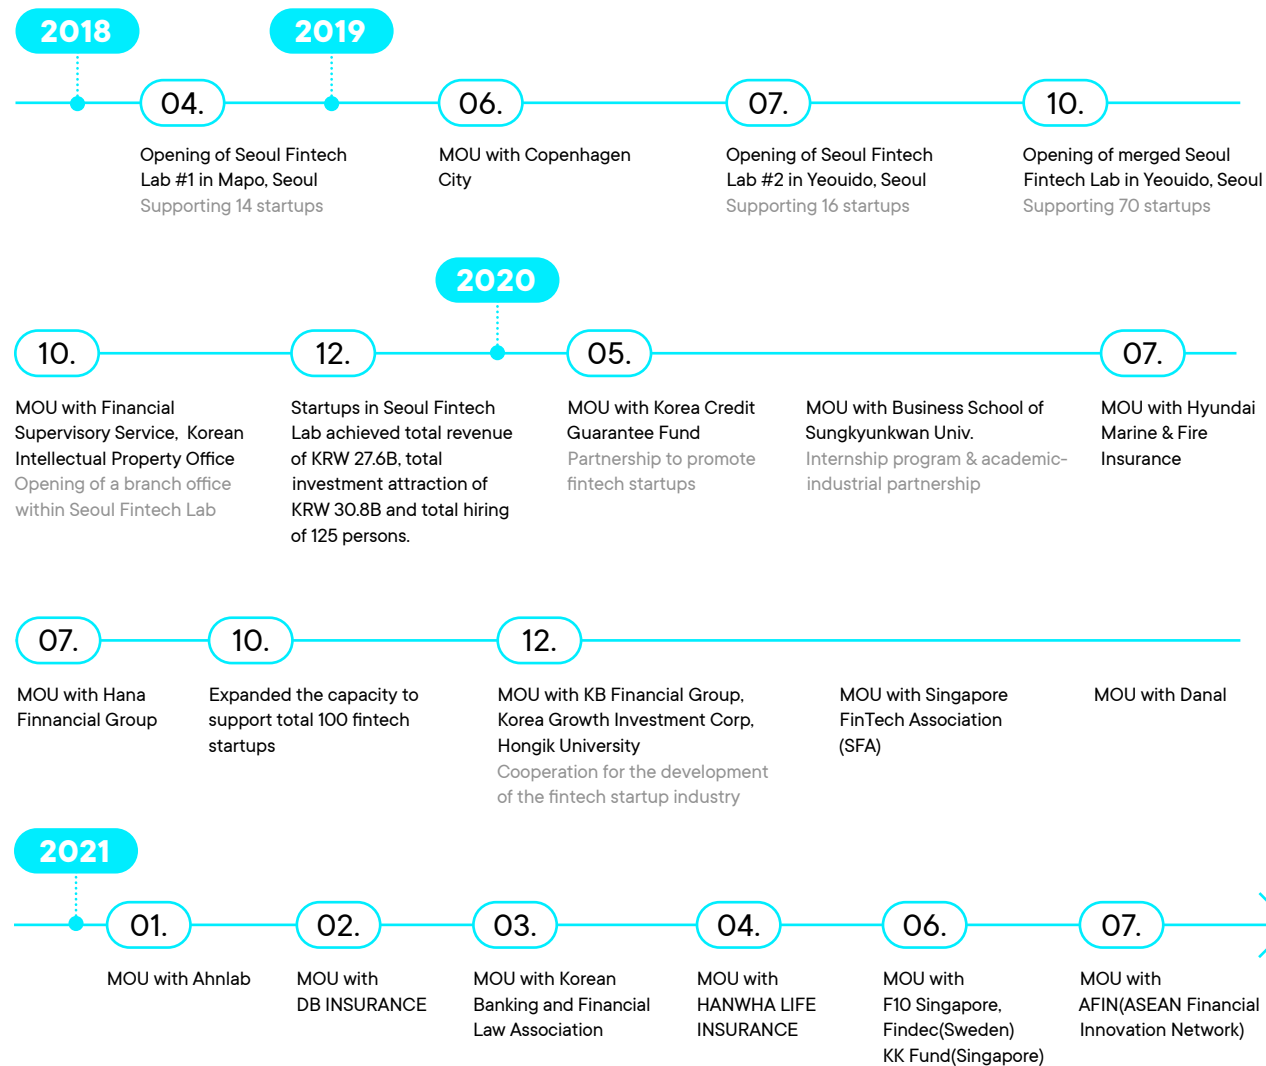

It was established in 2018 and is located at Yeoui-do, Seoul in order to promote global competitiveness of fintech start-ups and to utilize financial hub of the area. Starting with 14 startup support in 2018, we have continued to grow in size with 100 startup support as of 2021, and we plan to continue to expand.
